BE A FRIEND TO THE BALLET

The Triangle Youth Ballet strives to fulfill our mission to share the magic and joy of classical ballet with our community. Whether it is through offering classes or providing fun family entertainment, we are here to share the magic. We have an active community outreach program, offer tuition assistance and are one of the few small regional ballet companies with a live orchestra. Help us as we continue to grow and to serve our community.

TCHAIKOVSKY VIRTUOSI

For an audience there is simply no comparison between live music and a recording, and the sophisticated Chapel Hill/Carrboro community will appreciate and value the truly rare experience. The adaptability and spontaneity of live music allows for each performance to be different because the dancers can explore and improve with each performance, while the conductor and musicians can immediately respond in support of the dancer's inspiration.

THE PERFORMING COMPANY

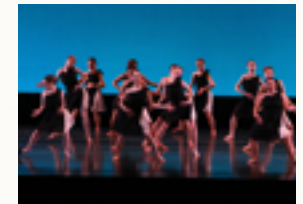

The Triangle Youth Ballet is proud to be a member of the Southeastern Regional Ballet Association and Regional Dance America. As a company we produce three theatrical productions each year and attend two adjudicated dance festivals. In addition, our company has a vibrant community outreach program. It is an honor to train these fabulous young dancers and see them accomplish so much.
